

**Do you suffer from an
MSK (Musculoskeletal) problem?**

**We now have an IN HOUSE PHYSIO who
can assess your problem**

You can book direct for the following:

- **Any new MSK condition or pain you may associate with joint, muscle or nerve**
- **If you have any longstanding MSK conditions for help with managing pain and disability. These can include: lower back pain, sciatica, arthritis or any other longstanding symptoms.**

Please ask at reception for more details
